Sale Extraordinary Beautiful Silver-plated Ware

Including Nearly Every Style of "Hollow Pieces" That You Could Think of—All Marked

At Prices That Will Create a Sensation When You Compare Them With the Pieces

HOW CAN WE DO IT—IN FACE OF THE RECENT 20% INCREASE IN THE PRICE OF SILVER? Because one of the biggest makers of silver-plated ware decided to close out his present line of patterns before changing his styles and offered us his entire made-up stock and Traveling men's samples at a price so wonderfully low we immediately grasped the opportunity, as you also will do when you investigate. Never in the history of silver-plated ware in this city has such an assortment been seen, nor have such low prices been quoted.
